

This Would Be an Excellent Time for the Legislature to Adopt the Pari-Mutuel System of Betting.

Copyright, 1913, by The Press Publishing Co. (The New York World).
FESTERDAY'S decision that oral betting on horse races is not con-trary to law, and that owners of racetracks cannot be held responsible for betting on tracks under their control, has thrown the whole racing situation in this State wide open. If the affair now goes to the Court of Appeals and is again settled in the same manner, nothing will prevent the reopening betting. This is a safe and sane propo-sition, the only safeguard ever invented intended to do. The pari-mutuel system wipes out crookedness in racing, because
